

PG262

Trigger Grip for Barcode Scanner/UHF RFID Reader

Installation Guide for Applications in Hazardous Location (C1D2)

This installation guide demonstrates how to mount a DT362GL Handheld Rugged Tablet onto the PG262 Trigger Grip to make stock scanning an effortless task.

ACC-PG262-01

ACC-PG262-02

- 1 Use a \oplus PH0 x 60mm screw driver to remove the 2 screws at the back of a DT362GL tablet.

- 2 Place the tablet into the holder at the top of the Trigger Grip and put the included bracket under the holder. Make sure the two corner rubber bumpers are in place and the two bracket holes align with the corresponding ones at the bumper and tablet.

- 3 Use the included 2 long screws to secure the tablet in place.

WARNING - EXPLOSION HAZARD:

1. I/O connectors are NOT USED IN HAZARDOUS LOCATIONS. SEE INSTALLATION INSTRUCTIONS.
2. To prevent ignition of a hazardous atmosphere, batteries must only be changed or charged in an area known to be non-hazardous. Replace Battery with Battery Model ACC-006-362G, manufactured by GUANGDONG POW-TECH NEW POWER CO LTD INC Only.
3. Battery lock must be engaged when used in Hazardous Locations.
