Handheld POS Terminals

WebDT 410

BASIC OPERATION GUIDE

ENGLISH

INTRODUCTION

Thank you for acquiring the WebDT 410, part of the POS Handheld line. The WebDT 410 offers a 3.5 outdoor-viewable touch screen, in a compact and lightweight package. The WebDT 410 enables efficient point-of-service applications, inventory management, and field services. With IP54 sealed front panel, the WebDT410 performs well inside and outside.

The WebDT Point-of-Service Handheld provides the precise features needed to streamline operations and improve productivity, data accuracy, and service.

PACKAGE CONTENTS

- 1. One WebDT 410
- 2. Basic operation guide
- 3. Stylus lanyard and hand strap

\* The actual package contents may vary depending on the configuration acquired.

PRECAUTIONS

- Always exercise care when operating and handling the WebDT 410.
- Do not disassemble any portion of the WebDT 410. It will void any product warranty on WebDT 410.
- Do not use any power adapter or charging cradle other than the one provided with the device or acquired from the manufacturer or its partners.
- In the unlikely event that abnormal noise, strange odor, or smoke is present, immediately power down the WebDT 410 and disconnect all power sources. Please report the problem to your device provider immediately.
