

Rugged Tablet Carrying Portfolio

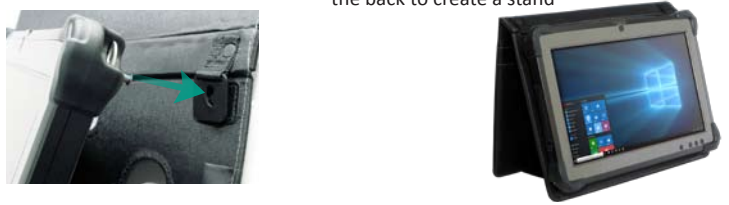

Attach the Tablet onto the Carrying Portfolio

- 1. Unscrew the four screws, then remove the handstrap from the back of the tablet
2. Screw the two short screws onto the upper corners of the back of the tablet

- 3. Hook the tablet to the carrying portfolio
4. Fold the carrying portfolio front cover toward the back to create a stand

Store the Portfolio into the Case

- 1. Open the carrying case
2. Put the carrying portfolio into the case properly

Product Care

Read the instructions carefully. Failure to follow the instructions could result in damage to the Carrying Portfolio and Case and voiding its warranty.

- 1. Only use the Carrying Portfolio and Case in accordance with the operation guide.
2. Unzip the zippers on the Carrying Case gently.
3. Clean with a cloth with water only. Do not use detergent or other chemicals.

Rugged Tablet Carrying Portfolio and Case

BASIC OPERATION GUIDE

ENGLISH

INTRODUCTION

Thank you for acquiring the Rugged Tablet Carrying Portfolio and Case designed for portability for the 11.6" DT Research tablets. The tailored design allows the tablet to be used while inserted in the Portfolio and, with its foldable tabletop stand, the Portfolio can be placed directly on any flat surface to quickly open to use in any location. The Carrying Case, made of 1680 denier nylon fiber, is designed to store the Carrying Portfolio, and provides extra protection as well as portability to the tablets.

Package Contents

- 1. One carrying portfolio and one case
2. One shoulder strap
3. Two short screws
